## **SANTA FE DRESSAGE ASSOCIATION**

presents the first in a series of **FREE** educational lectures

# **"Tools of the Dressage Trade"**

**Sunday, March 8, 2020 - 9:30 am - 3:30 pm**

**The Clubhouse at HIPICO Santa Fe , 100 South Polo Drive**

*Reserve your spot by sending an email to [wendykwilkins@gmail.com](mailto:wendykwilkins@gmail.com)*

**Dominic Lombardo** is the co-founder of equula, an equine technology firm, and the founder of the Equine Technology Guild. In his talk - "***This Is Happening! Equine Technology 101***" - he will walk us through the new landscape of horse technology products. We'll hear about everything from new training tools to the latest in saddle technology, breeding technology, and stable monitoring. Then we'll take a look at the future through the new landscape of horse technology products.

In her presentation - "***Regenerative Medicine: New Tools for Injury and Wound Repair***" - **Dr. Anne S Hale** of BodeVet, Inc. will introduce us to several of the most successful treatment protocols used for equine leg and foot injuries. She will help us understand the pros and cons of the different options we are likely to have to choose among if our dressage athletes suffer ligament or tendon damage. These include stem cells, platelet-rich plasma (PRP), interleukin-1 receptor antagonist protein (IRAP), Pro-Stride, etc. The presentation is intended to help us become better and more knowledgeable partners as we work with our veterinary practitioners.

**Refreshments/luncheon provided. Door and raffle prizes.**
